TALL JOHN'S WEDDING BROCHURE

Your Day. Your Way.

Nestled amongst rolling Welsh hills, a stone's throw from beautiful Llangorse Lake, sits the stunning Tall John's House and our superb wedding venue - the Barn. We have lovingly restored and rejuvenated our beautiful stone barn to make the perfect basis for you to create the wedding of your dreams.

The barn is a blank canvas venue - it is yours to style as you wish, to create a space that is personal, individual and unique to you. We know every bride is different, every couple is unique and your wedding day should reflect that. To help you create the wedding day you have both dreamed of, we offer you the chance to make the barn your own - your friends, your family, your style.

YOUR day, YOUR way.

The Barn

The barn is, quite simply, beautiful. The exposed beams and arrow-slit windows retain the history, charm and romance of the building while the natural light walls and elegant limestone flooring ensure a wedding venue that is pure, natural and simple.

TALL JOHN'S WEDDING BROCHURE

Incredible spotlighting that illuminates the ancient alcoves and glass-vaulted windows also shoots up every arrow slit and every beam – the barn is light, fresh and well – heavenly....

TALL JOHN'S WEDDING BROCHURE

The barn isn't just beautiful; with a maximum capacity of 160, it's spacious and functional too....plenty of room for all your needs

With all the electrical capacity for every DJ, band and sound system, you can party the night away and celebrate as a married couple. Feel free to bring your own dance floor but our beautiful limestone is the perfect surface to make some moves and see in your married lives with a bang.

TALL JOHN'S WEDDING BROCHURE

The perfect blank canvas, transform the barn into a space that reflects you- personal, unique and individual. We give you the freedom to express yourself make the space reflect you and everything you love.

Leave it stripped back- simplistic and pure- or let your style loose to shower and embellish the barn with even the wildest of tastes.

The peaceful, secluded rear courtyard is paved with original flagstones and decorated with olive trees and sandstone gravel paths. A romantic outdoor space to complement the barn which can be fitted with a transparent cover to offer excellent shelter in poor weather

TALL JOHN'S WEDDING BROCHURE

Our rustic wooden frame is yours to decorate - festooned with lights or flooded with flowers, it offers mood and atmosphere. It's an intimate space – perfect for those who need a break from the dance floor!

TALL JOHN'S WEDDING BROCHURE

The peaceful, secluded rear courtyard is paved with original flagstones (ideal if you want a small marquee here) and decorated with olive trees and sandstone gravel paths.

There is nothing like a firelit, candle-strewn court yard to set the scene for your guests

TALL JOHN'S WEDDING BROCHURE

Set in a stunning Welsh valley, Tall John's House is hidden from the noise and stress of the every day.....just sit back and admire the views

TALL JOHN'S WEDDING BROCHURE

Behind the barn's graceful aesthetics, is a modern infrastructure. State of the art underfloor heating means the barn is warm and comfortable whatever the weather throws at you. Abundant power points give plenty of flexibility for music, loudspeakers and lighting. Our very elegant toilets are integral to the barn with plenty of space for hanging coats and hats.

There is good fibre-optic wi-fi throughout. The spacious and functional catering area has separate access both to the outside and into the barn for ease of service.

TALL JOHN'S WEDDING BROCHURE

The exquisite grounds and gardens of Tall John's House with views across the Black Mountains make the perfect position for your big day – there is a wealth of choices for drinks, photo opportunities and freedom to explore.

The enchanting walled garden with its rose bower, rill, double swing and arbour is peaceful and romantic – perfect for a few minutes away from the hustle and bustle to savour your big day. Perhaps, if the weather is good, enjoy drinks on the lawns, listen to the bees under the ancient weeping lime tree and gaze out at the magnificent hills opposite.

TALL JOHN'S WEDDING BROCHURE

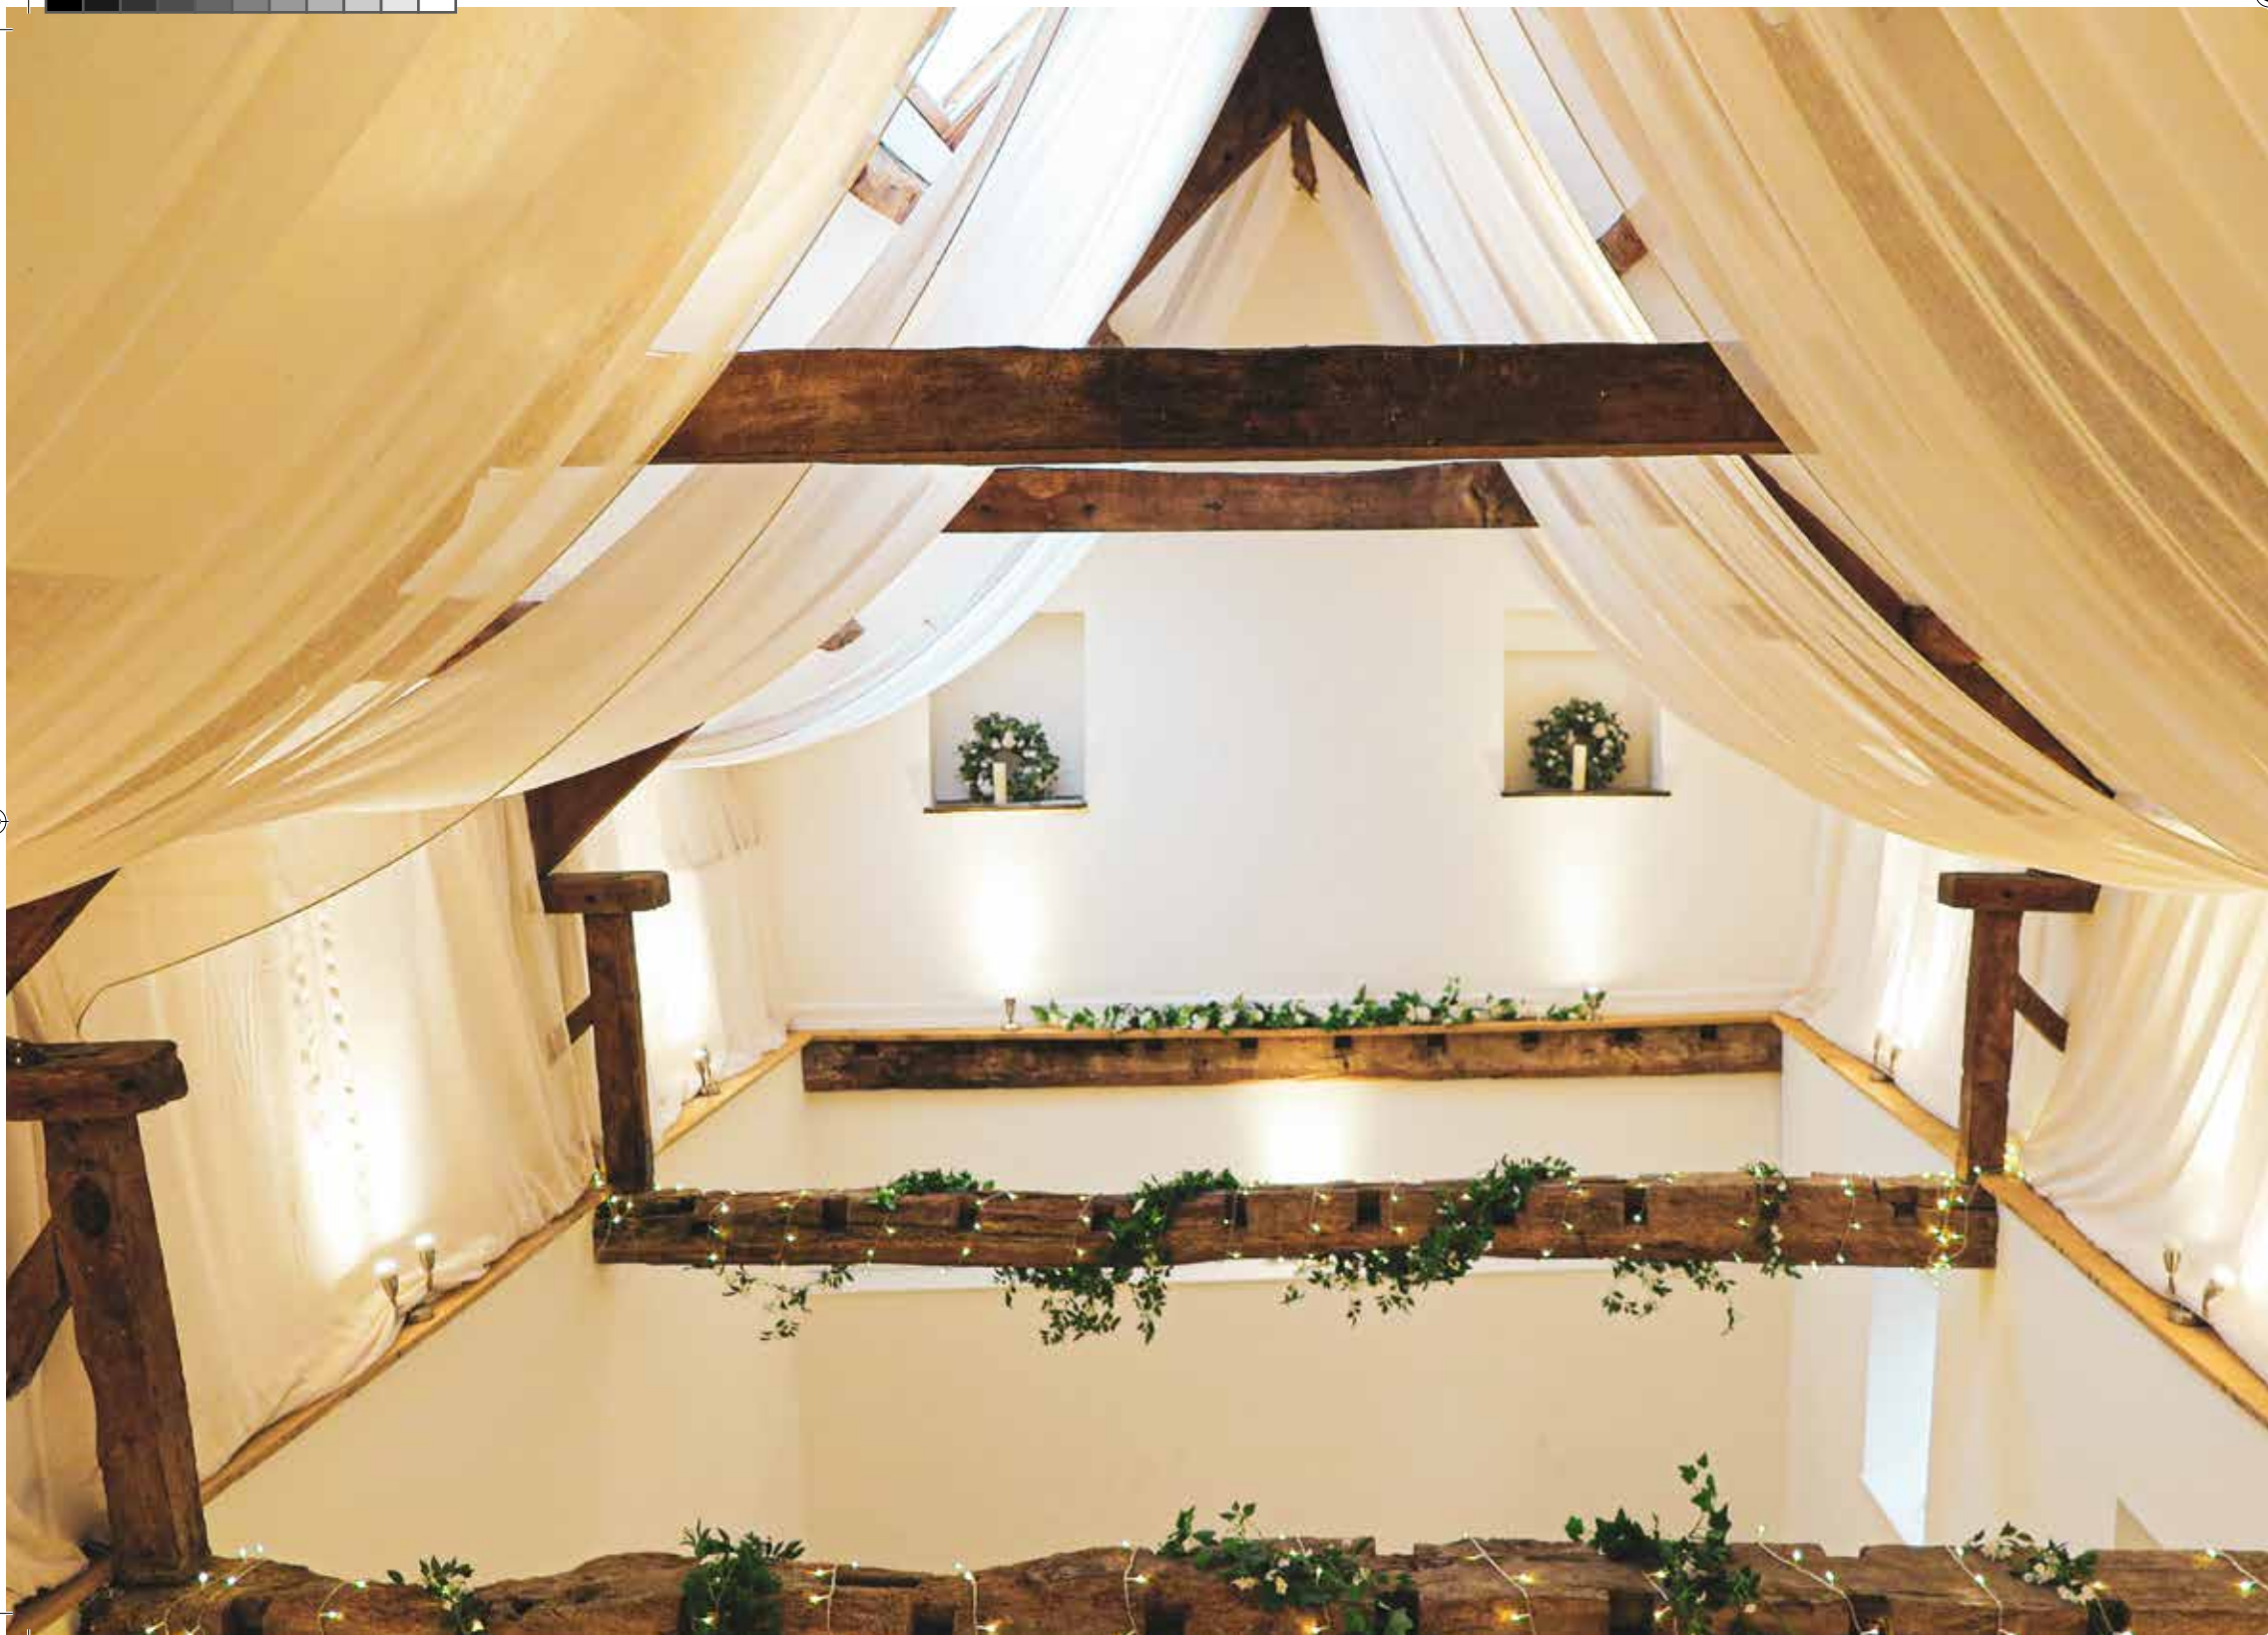

We are licensed to hold civil ceremonies in a number of different areas. If the weather is kind our enchanting pagoda nestled under the beech trees in the garden is a most picturesque and attractive setting looking out across the valley

Image courtesy of James Richard Photography

TALL JOHN'S WEDDING BROCHURE

Alternatively we can offer civil ceremonies in the barn itself, in our newly refurbished Granary or, for small numbers we can offer the drawing-room of the Manor House. Llangasty Church is an enchanting little church set in a magnificent position on the shores of Llangorse Lake, a mere 1 ½ miles away. It has a maximum capacity for 100 people and is a very special place. For a bigger wedding, St Paulinus' Church in Llangorse, 4 miles away, can hold at least 200 people.

TALL JOHN'S WEDDING BROCHURE

From the outside gaze upon a simple, historic granary but open the doors and step inside to a transformed space -serene, peaceful and well ... magical.

The granary is an extraordinarily enchanting and intimate space for either a civil ceremony or as part of a reception or party area for weddings. The double height ceiling, adorned with beautiful, swooping, feather-light linen tenting creates a feeling of romance and fairy-tale memories. Be prepared to be swept away by the exposed, fairy lit beams and garlanded minstrels gallery- this dreamy, peaceful space is full of heart.... and with a capacity of 120 people is deceptively functional and diverse too.

TALL JOHN'S WEDDING BROCHURE

Included in our wedding package fee is the rental of Honeysuckle Cottage for two nights which makes ideal accommodation for family, friends, people to help decorate or on the night it can be a crèche or family room. Honeysuckle has three ensuite bedrooms upstairs – These rooms are all light and airy with glowing wooden floors.

Downstairs a very generous and well-fitted kitchen opens through double doors into an extremely spacious reception room with generous seating both at the dining table at one end and also on sofas in front of the television at the other. There is a fourth double bedroom with shower downstairs. The cottage has a private paved courtyard with chairs and a table for outdoor sitting or eating.

TALL JOHN'S WEDDING BROCHURE

After the wedding day of your dreams spend your first night as a married couple in our romantic Coachmans Cottage. Here you can enjoy the tranquillity of the Welsh valleys and the breathtakingly beautiful night skies. Included in the wedding package fee is one night in this self-contained cottage with an exquisitely decorated and spacious bedroom with super king bed. The handcrafted tongue-and-groove woodwork, the glowing wooden floor and the soft grey and gentle blue colour palette lend the whole room a feeling of tranquillity and romance. The en suite high-spec bathroom with bath and power shower is complete with plenty of large, fluffy towels, soaps, shampoos and hair-dryer. The generous windows make the room light and relaxed and the outside door onto a tiny balcony overlooking the valley and the Black Mountains beyond is well worth waking up for.

Wake up to a delicious breakfast basket, including fresh pastries and fruit, delivered to your door.

TALL JOHN'S WEDDING BROCHURE

We are delighted to offer you the option to have your own stunning private manor house, decorated and furnished to a high standard during your wedding celebrations. The property is an ideal choice for the bridal party and extended family to make the most of their time together. Our charming and efficient staff will be on hand to help you enjoy your stay. Tall John's House has accommodation of 11 bedrooms all with their own bathrooms and can accommodate up to 19 people.

Exclusive use of the entire house with its elegant receptions rooms and comfortable bedrooms can be taken by the bridal party but the manor house is not open to other wedding guests. Rooms can also be taken on an individual basis. Breakfast is included in the accommodation and our team are delighted to provide other meals for the bridal party if desired.

TALL JOHN'S WEDDING BROCHURE

Whether you choose to hire the Manor House with the barn or not, you can rest assured that the venue is completely private and exclusive- no passers by watching your special day but only your nearest and dearest. With only one wedding booked each week-end you haven't got to share it with anyone.

TALL JOHN'S WEDDING BROCHURE

At Tall Johns Weddings we have no set suppliers that you must use- free to source all your own of everything. But planning your wedding is a big job- a fun, exciting job, but also a time consuming one! If you would like to make use of it, we have handpicked the best local talent put it in one helpful place to help you make some of the big decisions. We don't' want to give you a list of every available caterer or furniture company around- we're only recommending the people we would want to use ourselves. Or what's the point of recommending someone?

TALL JOHN'S WEDDING BROCHURE

We know this is your day and we won't hem you in or try and dictate how you want to express yourselves. For some of us, decorating our own space and letting our creative juices flow is easy but for others, the offer of a helping hand is a life saver.

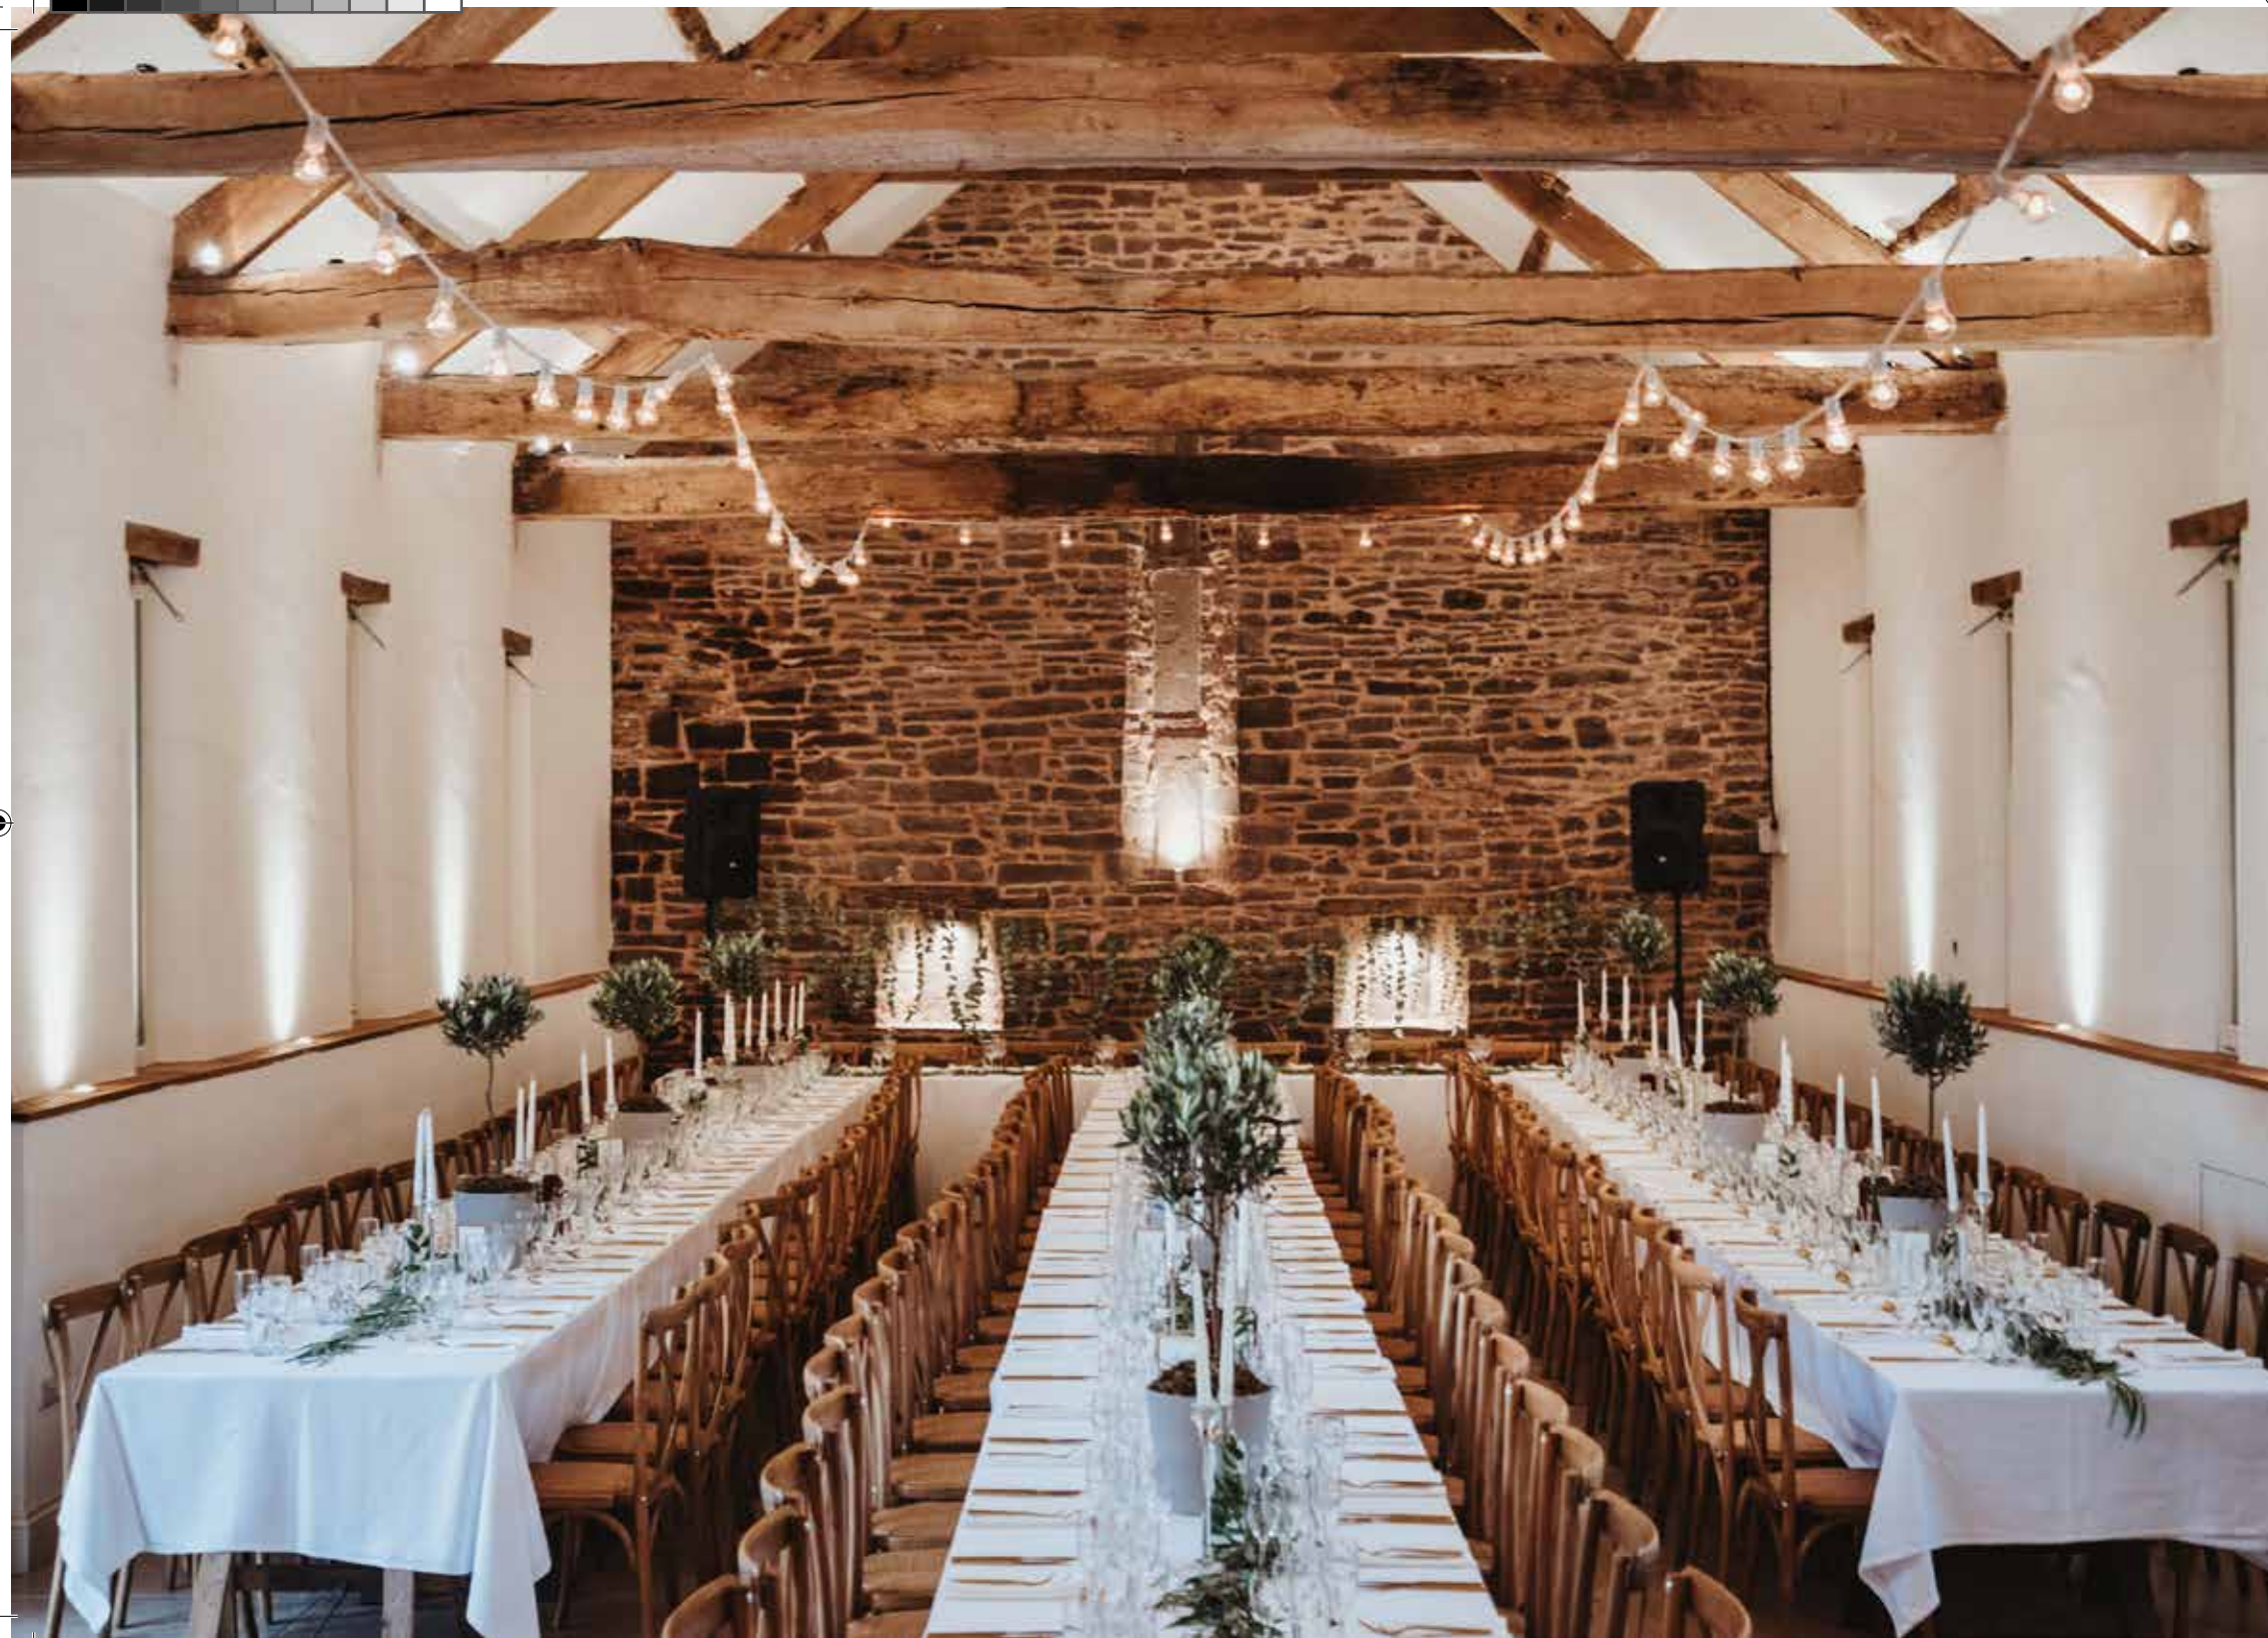

We're always on hand if you need us- we won't drown you in our own opinions or boss you around with what we think works, but we're always here with a bit of advice or inspiration if you need us."

Philippa Torrance
BRIDAL HAIR

Award Winning Bridal Hair Specialists offering a Professional but Personal Service to create you Dream Wedding Hair!

I advise clients to have their bridal hair trial around 2-3 months before the wedding, this is so that you have a good idea of what styles will compliment your wedding dress. It also keeps the style fresh in your memory and hopefully your hair has reached the ideal length for your desired look! Leading up to your hair trial, it would be useful to

gather any images or ideas that you have, as well as bringing along your headdress and/or veil so that we can visualise the look you want to achieve. You may want to consider arranging your make-up trial and/or dress fitting on the same day so we can envisage the exact look before your special day.
